Cabell County Schools will provide an **optional** damage waiver for the loaned device. If interested in this optional damage waiver, please see the attached damage waiver enrollment form. ***If you choose not to participate in the optional Damage Waiver Program, please indicate by initialing the box below to clarify your intention to opt out of the optional damage waiver coverage.***

I choose to OPT OUT of the optional damage waiver and will be responsible for all instances of repair or replacement. I understand that this means that I am accepting responsibility for the full cost of repair or replacement of the device (and accessories) if it is damaged, lost, or stolen.

Terms of Agreement

The student is always responsible for the care and appropriate use of technology. I understand if my child violates the guidelines agreed to in the **Cabell County Schools Digital Device Handbook for Students and Parents**, his/her privilege to use technology may be restricted or removed and he/she may be subject to disciplinary action.

I understand that I will be held responsible for reimbursement for loss, theft, damage, or repair of my child's mobile device, which may have occurred at school or at home, or while the mobile device was being transported.

Cabell County Schools allows students to use technology inside and/or outside of the classroom. The mobile device remains the property of Cabell County Schools. Upon transfer from the district, parents and students agree to return the mobile device to the school in the same condition it was issued to the student less reasonable wear. Failure to return the mobile device results in financial obligation for the replacement cost of the device and accessories.

I have read, understand, and accept the parent/student responsibilities enclosed in this Cabell County Schools Digital Device Handbook for Students and Parents and Acceptable Use Agreement.
